special summer event

Open Air Cinema

a selection from the Archive of the International
Short Film Festival Oberhausen

Dear friends and colleagues,

The Union of Fine Artists from Republic of Moldova is organizing a special summer event. In August, during 4 different evenings, short movies and music videos from the Archive of the International Short Film Festival Oberhausen will be screened in front of the Exhibition Center *Constantin Brancusi* in Chisinau. It will be an open air event in the city center.

The programme includes experimental, documentary and animated short movies as well as music videos. All works have in common that they explore new methods and contents beyond the market and stagnated tastes.

During the first two evenings, the 2nd and 9th of August, music videos produced in Germany will be screened, German short movies on the 16th of August and International short movies on the 23rd of August. For example showing Canadian director during a casting for becoming as part of the band TATU, or a wonderful everyday life of a dog that has a real dog life.

The International Short Film Festivalul Oberhausen has won its reputation in the course of the last 50 years becoming thus the first of its kind in the world. It encourages interaction between art and short film and plays an important role in the formation of the younger generation of filmmakers.
